

Banzai!

Reality Fair

Do you have what it takes to make it in the real world?

Use a specialized tool to pick an occupation that suits you in your state. Then, see the real-world income that comes with it, along with other randomized expenses like student loan debt.

At the fair, rotate through simulated expense booths for:

Housing

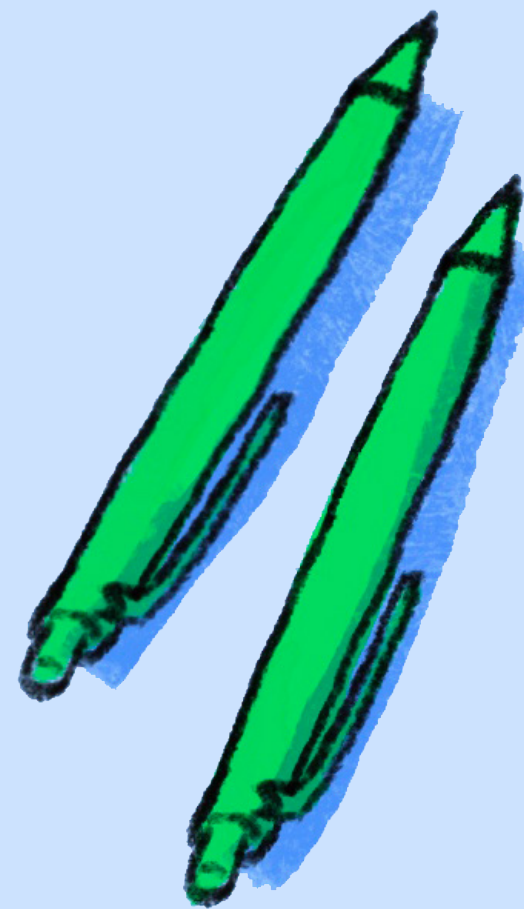

Transportation

Debt Payments

Life Insurance

Everyday Expenses

...plus several surprises along the way!

Date/Time: _____
